Dear Senator Lassa and Committee Members:

Governor Doyle has reappointed me to the Professional Counselor Section of the Marriage and Family Therapy, Professional Counselor and Social Work Examining Board and I am writing this letter to request that you and the committee members confirm my reappointment.

OCCUPATION

At the present time, I am employed at Milwaukee Area Technical College (MATC). I've been employed at MATC for nineteen (19) years. My position at MATC is a Counselor, and my counseling duties include career, academic, personal, and crisis counseling and test interpretation services for prospective and current students.

Also, I was employed at the Reach Comprehensive Mental Health Clinic (REACH) as a Psychotherapist for approximately eleven (11) years. My employment at the clinic ended when the facility closed. My duties at the clinic included individual, group, AODA, and mental health counseling.

EDUCATION

My educational background includes a M.S. Degree in Counseling from the University of Wisconsin-Milwaukee and an Ed.D. in Educational Leadership for the University of Sarasota. Also, I have training in Alcohol and Substance Abuse counseling.

02/12/2007

Personally, I feel that I will be an asset to the Marriage and Family Therapy, Professional Counselor and Social Work Examining Board because I bring a wealth of educational and occupational experience and my priority is to protect the public that this profession serves.

ISSUES THE BOARD HAS WORKED ON

The Professional Counselor Section worked on amending MPSW 11.02. The section determined that the National Counselor Mental Health Certification Examination is an additional examination that adequately measures competency and sought to amend its rules to include it. As a result, the proposed change would permit applicants who take and successfully pass one of the three examinations (National Counselor Examination, Certified Rehabilitation Counselor Examination and the National Counselor Mental Health Certification Examination) or an equivalent one approved by the section to become eligible for licensure as a professional counselor. The amendment will provide greater flexibility to the applicants while maintaining protection of the public.

Also, the Board amended Chapter MPSW 14 that sets the requirements for obtaining continuing education for professional counselors. Each biennium professional counselors are required to obtain minimum of 30 continuing education credit hours, provided the course work is sponsored by acceptable organizations or entities.

Of the 30 continuing education credits, the amendment would require licensees to have a minimum of 15 credits in certain categories and further require that at least 4 of those 15 credits be in professional counseling therapy ethics and boundaries. Also this amendment would expand the scope of acceptable continuing education organizations, such as, the American Medical Association, the American Psychological Association, and the American Osteopathic Organizations. It also will permit credits for continuing education programs that are recognized by the Marriage Family Therapist Section and the Social Worker Section. These are just few of the issues the Board has been working on.

At this time I would like to thank you for allowing me the opportunity to serve for the past two years and I hope my name is passed along to the full Senate so I can continue the important work I am doing. Thank you again.

Sincerely,

Evelyn Pumphrey, M.S. Ed.D
